Granite Series Topmount / Drop In Sinks

EARTHY ELEGANCE

When interior styles call for natural elements, Granite Series topmount sinks are the Crowning touch.

Granite Series topmount sinks are heat and thermal shock resistant up to 536°F, protecting them against hot pans right out of the oven.

True to the Kindred Crown aesthetic, these sinks are crafted for maximum function. Their naturally sound-absorbing materials minimize noise and vibration, while a non-porous Sanitized® finish keeps germs away.

Heat Resistant

Strong enough to withstand hot pans straight from the oven due to heat and thermal shock resistance.

Dura Kleen

The smooth granite finish repels all stains like, wine, coffee and grease. Cleans easily with soapy water.

Sanitized® Hygiene Function

Helps control bacterial odor and microbial growth.
