Key to Codes

PART NUMBER BREAKDOWN

Each Berenson Hardware part is assigned a unique number, but those numbers are more than just a label for the part. They contain codes that will tell you:

- What material the part is made from.
- What finish the part is.
- How the part is packaged.

Below you will find the codes and definitions for materials, packaging and finishes.

EXAMPLE

Part Number: **2368-1MDB-P**
