Years of experience, yet still as curious as kids.

At Franke, we have been looking for new solutions and innovations for over 100 years and our attitude still has not changed. In 1911 we combined traditional craftsmanship, precision engineering and a constant pursuit of innovation, three principles that remain at our core.

A story forged in Swiss precision

Our story began at the beginning of the last century as a small sheet-metal business in Rorschach, Switzerland, established by Hermann Franke. Since then, we opened up to the world and inaugurated manufacturing facilities all around the globe that led us to become leaders in the kitchen sinks segment, and home solutions altogether.

The recipe for a healthier future

We're on a mission to help create a more sustainable planet, one innovation at a time. From designs built with the use of sustainable materials, to efficiency optimization and waste reduction, we act responsibly throughout our business and beyond for positive long-term impact.

Taking care of the environment

Our vision is to reach net-zero greenhouse gas (GHG) emissions across our value chain by 2050 from a 2020 base year.

We have established clear goals that support this ambition to contribute to a more sustainable world for our customers, employees, and society.

We developed our near-term and net-zero targets in 2023 in line with the Paris Climate Agreement, and they were validated by the Science Based Targets initiative (SBTi) in February 2024, setting a cornerstone in our sustainability journey.

Packaging

In 2023, we continued the switch from Styrofoam packaging to cardboard for the Franke range of Fragranite and Tectonite material sinks across Franke's distribution centers around the world.

Franke's total share of renewable packaging was 89.9 percent in 2023

Waste

77.2% of waste across Franke Group was recycled.

Resources

7.5% reduction in total scope 1&2 CO_2e emissions in 2023 compared to 2022;

9.9% reduction in total electricity consumption in 2023 compared to 2022

Creating a proactive safety-first culture

People are at the core of what we do, and their safety needs to be a pre-condition of how we work. This approach is enshrined in our company values and drives our safety and occupational health measures. We view the prevention of physical and mental harm and the promotion of workers' health and wellbeing as a key responsibility in recognition of the fundamental human rights of workers.

> **"We've reduced our scope 1 and 2 emissions for eight years running and our net-zero emissions reduction targets have been validated by the SBTi."**
>
> Patrik Wohlhauser, Franke CEO

Innovation for sustainable living

Our eco-friendly innovations are designed to empower cleaner living at home and inspire everyday wellbeing.

Faucets

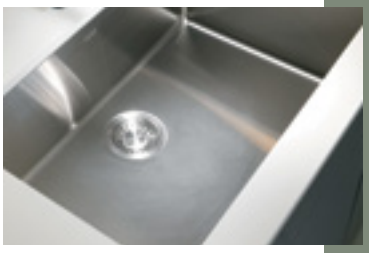

Franke stainless steel faucet models are made of 100% recyclable steel. In addition, some faucets offer the water-saving feature. This innovative technology allows you to move the handle to a position that will reduce water flow by 50%. In addition, faucets equipped with Franke's ECO cartridge are designed to limit the flow and temperature of the water.

Filtration

Plastic bottles have a particularly stark effect on the environment — around the world, over 1,500 bottles end up in the sea every second. From our point-of-use faucets, the filter uses activated carbon to reduce lead, chlorine, residues and sediment. Customers, therefore, have clean drinking water, which is equally good for their health and the environment.

Sinks

Franke's sinks ranges are exemplary in terms of usage of sustainable materials such as stainless steel, Fragranite and ceramic that guarantee extraordinary product durability, resistance and long-lasting quality.

Experience our new Showroom

Welcome to the Franke's Aarburg Showroom a place of discovery.

It has been key to bring Franke's new positioning to life in the Aarburg showroom concept, as well as in all spaces applying and adapting the new brand style guide. The new colors from primary to a wide modern secondary colors selection has been applied to the display creating a vibrant, fresh and contemporary design combination.

The highlights are our product families Mythos, Maris and Smart representing in the best way Franke as System Provider. Within the showroom there is also an attention to people and their well-being with open and clear understandable demonstration corners in a delightful natural material surrounding.

Franke's innovations are brought into the showroom with a superior quality look, tone and feel, elevating to the fullest the brand and products experience.

FRANKE

HOME SOLUTIONS

Solutions that work together

Our kitchens are places to live: We cook there, eat there and spend time together there, more often than not, all at the same time. Our products all merge together in functional systems aimed to facilitate your life and please your eye, thanks to perfectly matching colors, designs and combinations. When everything comes together, it is easier to enjoy every moment.

Food preparation areas

Faucets, sinks and kitchen accessories

Award-winning, intelligent, eco-friendly faucets are perfectly paired with elegant, spacious sinks equipped with custom-fit accessories or other innovative tools, so you have everything you always need. Everything is manufactured in the best, most durable and hygienic materials, such as our stainless steel or exclusive Fragranite.

Filtration

Cold, hot and hot/cold combinations

Franke filtration faucets are the epitome of premium quality faucets that are meticulously crafted with lead-free stainless steel, both internally and externally, setting the standard for exceptional faucets.

Inspir

There is no place like home. And there are no two homes alike.
The way we cherish our own nest is just as unique as we are, each one with different tastes, preferences, and needs. To help you get inspired and create the kitchen environment of your dreams, and enjoy it every day, we developed different **families** of products.

Mythos

A passion for the best

Our most premium range. Technology meets design, while even the smallest details are carefully sought-after. This **family** sets its goal to the highest levels, combining the very essence of functionality with that of beauty.

Maris

Family in the kitchen

A **family** inspired by families. cozy and functional, for savouring the heartwarming experience of a **family** get-together.
Maris' philosophy is simple: welcome anyone, anytime with the pride and joy of a homemade dinner.

What your kitchen will look like is up to you,
but whatever your way of bringing joy home, **you can count on us.**

Maris Fragranite

Usher in a new era

Life happens in the kitchen, and your sink is at the center of the action. Whether prepping for a weeknight meal, entertaining friends and family, working from home, or cleaning up after dinner, Franke Maris Fragranite sinks are designed to fit seamlessly into your ever-changing lifestyle with innovative features and timeless design.

Harmony comes in color

Available in a full suite of timeless colors, there's a Franke Maris Fragranite sink to fit seamlessly into any interior design style. Maintain balance with a kitchen sink that flows effortlessly into your unique vision and aesthetic.

Fragranite

An exceptionally tough material, highly resistant to burns, dents, chips, and stains. Pioneered by Franke, it's a unique material with a subtle sheen that is warm to the touch thanks to its up to 80% quartz sand composition. Its smooth finely textured surface naturally prevents bacteria and microbial growth.

Stainless Steel

Whether you prefer the more reflective qualities of the diamond finish or the more subtle look of the silk or pearl finishes, which give a more matte sheen, there is a Stainless Steel solution for you. All Franke Stainless Steel products are made from premium quality chrome nickel steel, which looks stunning and is highly resistant to staining, rust and corrosion. Stainless Steel is one of the most popular materials in the kitchen for a good reason.

Diamond
Pearl

Glossy White

Fraceram

Ceramic sinks have a smooth, impervious surface, which stands up to heat, staining, impacts and resists standard household chemicals with ease. Ceramic sinks have been a popular choice for years and create a classic combination with a variety of work surfaces such as wood, glass and granite.

Shiny or matte, smooth or stone-like, extra-strong or super trendy. Your kitchen can speak volumes about you, so every detail counts. To offer you the chance to create your very own perfect kitchen, our range of materials is designed to please any taste, match any style and resist any endeavor. Discover each material's precision-engineered character and unique benefits to choose the one that suits your needs the best and you like the most.

NEW Copper

Anthracite

Gold

F-Inox Technology

An exclusive Franke coating able to group water molecules, allowing you to dry your sink without ring stains. Water repellent and scratch-resistant, this futuristic coating also fears no heat up to 212° F. A real and long-lasting beauty formula that you can appreciate from our Mythos Masterpiece family.

PVD Coating

PVD, used for "Physical Vapor Deposition," is a coating technology that makes faucets even more resistant to abrasions, scratches and corrosion and offers exceptional aesthetic features as well. A faucet treated with a PVD coating even resists UV rays and makes fingerprints less visible in a busy kitchen. There are four PVD coatings available: Anthracite, Copper, Gold, and Industrial Black.

Industrial Black

It's always been in our heritage to meet your needs.

Beautiful and made for real-life use.
Stainless Steel represents our ideal kitchen.

The sheer quality of Franke products can be seen and felt. We use AISI 304 stainless steel, a choice that reflects our dedication to quality, one of our core priorities over the 100-plus years of our history.

Strong and robust, it maintains its brilliance over time, making it the defining feature of the living spaces in which it is installed.

Its superb technical features ensure that it is always in demand and highly appreciated by professionals in the haute cuisine sector. Furthermore, Stainless Steel is an extremely hygienic material, is easy-to-clean and recyclable. Aesthetically pleasing and functional to use: Stainless Steel really represents quality in shining armor.

Customer Care and Technical Assistance

If you ever experience a problem with any Franke product, simply contact our Customer Service at 1-800-626-5771. Our dedicated customer care team will be the first to assist you, offering advice and instructions to resolve the issue. If necessary, we will escalate the matter to the relevant Franke team members to ensure a prompt solution and restore the product's functionality through a replacement part or warranty replacement. Your satisfaction is our top priority, so rest assured that we are here to help.

Culinary Center

Functional, beautiful organization.

Culinary Center is the perfect synthesis of cutting-edge technology and design, marrying classic and contemporary styles.

Packed with built-in features that put everyday tools at your fingertips as you work. Each element is organized according to a highly functional approach.

A place for everything

The double-bowl Culinary Center features essential accessories built right into the sleek design. When tasks are complete, everything stores neatly into this well-thought-out system.

Details matter

The custom-fitted accessories compartment allows you to dry and store the tools you use most, so they're ready when you need them, creating a functional organized kitchen workstation with everything in its place.

Designed for the way you work

The Culinary Center's two cutting boards, colander and draining rack are easily removed and positioned to fit the work-flow that's most efficient for you. Rinsing, draining, chopping, dicing, and slicing are a snap when the right tools are at hand.

Workcenters

Creating a defined space in the kitchen.

A total kitchen solution

Franke Workcenters transform how you go about your daily meal prep and cleanup. They are functional and maximize efficiency while minimizing movement. A Workcenter sink offers multiple kitchen tools to wash food, chop, prep, clean up, dry dishes and more. It consolidates separate areas of your kitchen into one space.

Perfect workflow

Franke Workcenters support your entire food preparation by creating your own modular, innovative and design-oriented sink center.

Minimize chaos

The kitchen is the busiest place in your home. Franke Workcenter provides all the essentials needed for food prep or impromptu meals.

Limit cross-contamination

Kitchen sinks handle many tasks that might not be very sanitary. A Franke Workcenter can organize your sink to allow you to keep food prep items separated. It helps keep your food and kitchen more hygienic and reduces the chances of cross-contamination.

Fully equipped

Space-saving integrated tools offer plenty of room for prepping over the sink, freeing up counter space for other activities.

Peak

A passion for details.

Elegantly simple and exceedingly functional, the Peak sink collection exudes luxury. Clean lines and the 5 mm corner radius maximize bowl space. The square drain cover complements the minimalist design while obscuring the strainer basket.

More usable workspace

The removable drain cover conceals the drain for a seamless sink surface while providing a uniform bottom surface.

Premium materials

Made of 16-gauge stainless steel with a Diamond finish that will retain its beauty for many years.

Multi-level workspace

The bottom sink grid raises to sit on the integrated ledge, creating a higher level workspace to expand your prep, clean and rinse area.

Optimized performance

Seamless workflows, from prep to cook to clean. Unobstructed surfaces and smart layouts, optimized for preparing any meal.

Total kitchen solution

A complete kitchen solution, with a sink that makes sense and tools exactly where you need them, built for the way professionals work.

Professional

Luxury at its best.

The Professional is an engineering masterpiece and raises the bar for premium sinks. This kitchen sink features an integrated accessory ledge that allows accessories to glide over the sink and a concealed drain that stops stemware from falling over.

It also boasts sleek, sculptural lines made of 16-gauge commercial stainless steel with a Diamond finish that highlights the sink's beauty.

Integrated accessory ledge

Allows accessories to work within the sink, creating a seamless workflow to make food prep a pleasure.

Rear drain cover

The removable drain cover conceals the drain for a seamless sink surface, while the rear placement provides extra cabinet space beneath the sink.

Deep capacity sink

A large deep sink makes it easy-to-clean large cookware items and minimizes splashing, offering the form and function you expect from your sink.

Pescara

The perfect family sink.

The Pescara collection has it all. Featuring an integrated accessory ledge that allows food prep to happen over the sink, the Pescara collection has a lustrous Pearl finish. Functional as a food preparation and cleaning station and to prepare meals for family and friends.

Fully equipped workcenter

Create a workspace that is as beautiful as it is functional. Our space-saving integrated kitchen tools offer plenty of room for prepping over your sink, freeing up counter space for other cooking activities.

Multi-level workspace

The shelf grid sits conveniently on the integrated ledge system, creating a higher-level workspace. Expand your workspace when you prep, rinse and clean.

Concealed drain cover

The removable drain cover conceals the drain for a seamless sink surface, while providing a uniform bottom surface to allow for more usable workspace.

Sound dampening system

The sound dampening pads reduce excess noise from running water and disposal vibration.

Orca 2.0

A favorite for generations.

The iconic Orca sink is indispensable in the kitchens of home cooks and professional chefs alike. It has long been recognized for its unique design and functionality, thanks to its integrated ledge system that creates a multitiered sink suitable for food preparation and cleaning.

Optimize efficiencies

The Orca 2.0's double-tiered design combines the functions of prepping, serving and cleaning into one work center. Turn the shelf grid into a drying rack while still allowing ample bowl space for washing dishes.

Large capacity sink

The extra room of this generously sized sink will make washing larger items easier. Lay a cookie sheet or roasting pan entirely flat on the bottom of the sink for soaking and cleaning.

Multi-functional space

An efficient prep zone in the kitchen is a must. One way to achieve this is by adding a Franke Orca 2.0 to your kitchen. The Orca 2.0 supports functions in the kitchen by offering an additional workspace and freeing up counter space.

Cube

Creating a defined space in the kitchen.

Design and functionality

With something to suit every home, the Cube is available in a wide range of sizes and bowl configurations. The Cube sink collection paired with the All-In Accessory Systems is an ideal marriage of design and functionality and they address a high-level segment of kitchen lovers with a minimalist approach.

Deep capacity sink

A sizeable deep sink makes it easy to clean cookware and minimizes splashing, offering the form and function you expect from your sink.

Optimal corner radius design

The 12mm corner radius of the sink is simple, contemporary and easy to clean.

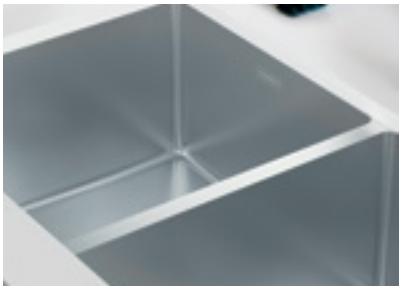

Efficient drain

The sloped bottom creates efficient draining, and the rear drain placement provides additional storage below the sink.

Pearl finish

A durable, resilient finish that will stand up to heavy everyday use.

138	Ellipse

Made to last

A durable and beautiful choice, Franke's Fragranite sinks are made from up to 80% natural quartz sand, making them one of the hardest materials in the world.

Quartz sand is delivered to the factory in various colors, which creates the finished color of each sink. Franke Fragranite sinks reflect the latest kitchen color trends and echo your style and taste, with calming and classic neutrals that have never lost their appeal. We know what matters most in the home — beauty, functionality, simplicity. It is a hardworking haven that nurtures our spirits and promotes our well-being.

Maris

Usher in a new era.

Home in harmony

We've entered a new era of living, where balance means everything. In this age, we don't just hope for harmony, we create it. Through clever features, unparalleled function and elegant design, Franke Maris Fragranite sinks are created to empower your contemporary idea of balance.

Make your space work for you

With a low-divide sink you can keep your kitchen in check. The double bowl allows you to multitask with ease, while the low divide creates a larger single bowl that is perfect for cleaning cookware and bakeware.

Deep Capacity

Maris sinks are equipped with deep capacity bowls that can easily fit baking trays, pots and pans to be washed with maximum ease.

Integrated for balance

Organization is at the heart of balance. With our easy-to-use integrated ledge system, you'll accomplish more with your sink while making the most of your surrounding counter space.

Peak

Flawless features.

Precise and elegant in style, this premium range of sinks will complement those with a flair for contemporary and minimalist design. With a tighter 10 mm sink corner radius and a flush drain cover, Peak is sure to integrate seamlessly into your kitchen area and bring everything a modern cook requires: attention to detail and absolute elegance.

Easy to maintain

Franke granite sinks are resistant to temperatures up to 536° F and impact and thermal shock. They are also stain-resistant — even red wine will not leave a mark.

Versatile workspace

The roller mat offers a wealth of uses for rinsing produce or drying dishes. It can also be used as a trivet for hot cookware or as a plating area.

Optimize every inch of your sink

This intelligent workcenter system provides all the essentials needed for food prep or impromptu meals. It was designed for multitasking and seamlessly blends into the most active area in the house: the kitchen.

Ellipse

The perfect sink for families.

Available in several configurations, there's an Ellipse sink that's perfect for your space. Franke Fragranite sinks are made from 80% quartz, the hardest component of granite, and bonded using high-quality acrylic resins for a sink that will serve you for years to come.

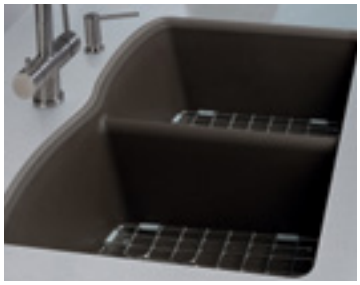

Versatile installation

Ellipse has installation options to suit any kitchen style, from a seamless-finish undermount to an easy-to-install topmount.

A natural beauty

The collection is offered in a variety of warm, sophisticated and enveloping shades, inspired by natural elements.

Easy to maintain

Franke Fragranite sinks are resistant to temperatures up to 536° F and impact and thermal shock. They are also stain-resistant — even red wine will not leave a mark.

Always colorful

Thanks to UV protection, the granite's beautiful color will not fade, ensuring long-lasting use.

Fraceram Sinks

148	Manor House 2.0 NEW
152	Manor House
156	Farm House
160	Cisterna

A lifetime of service

Ceramic is entirely natural, very stylish and amazingly practical. We apply a dirt-repellent finishing polish, which means that any mess, tea or red wine can simply be wiped away with a little soapy water.

Silky smooth good looks

Fraceram sinks combine beautifully with a variety of work surfaces, such as wood, glass and granite. It's a durable choice that easily stands up to heat, staining and impact with ease.

How your Fraceram is made

Liquid ceramic consisting of quartz, china clay and kaolin is injected into a mold under high pressure. Prior to drying, surface imperfections are smoothed with soft sponges and a level surface is created with water. The final drying process involves 20 hours in a tunnel kiln at 2,200°F. At every stage, each sink is subjected to stringent quality checks performed by experts to make it Franke approved.

Manor House 2.0

NEW

Traditional design with a modern twist

Today's lifestyles are highly focused on family gatherings and hosting guests, and therefore, the convenience of having extra space for food preparation in the kitchen is in greater demand. The new Manor House Fraceram sink easily combines traditional apron design with clean square lines for a modern twist.

Versatile installation

It can be harmoniously integrated on natural and artificial stone worktops as undermount or flushmount installation, and thanks to the completely glazed rear wall of the bowl, it can be mounted as trendy protruding.

Spacious design

The enormous volume of the bowls lets you wash big pots and pans and prepare large food items like fish and vegetables.

Elegance that endures

The glossy white durable surface gives a high-quality appearance while its durability prevents chipping.

Manor House

Designed for endurance.

Villeroy & Boch brings centuries of excellence to the handcrafted beauty of Manor House apron front sinks. Scratch resistant and hygienic fireclay offers the most desired qualities in today's kitchens.

Apron front design

The apron front design enables the user to stand directly in front of the basin, with no cabinets or countertop in between, making it comfortable for prepping food.

A natural beauty

The CeramicPlus coating causes liquids to bead upon making contact with the sink's surface, repelling dirt, limescale and other residues, which are easily wiped off.

Highly durable

Ceramic is an extremely tough, scratch-resistant surface that is impervious to acids and bleaches.

Stain resistant

We apply a dirt-repellent finishing polish, which means that any mess, tea or red wine stains can simply be wiped away with a little soapy water.

Farm House

Classic elegance.

Farm House sinks portray sophisticated elegance from every angle, featuring a sleek flat front panel for added style. Franke's apron front Farm House sinks are made of durable ceramic for a smooth, polished finish that's both durable and easy to clean.

Easy to clean

A dirt-repellent finishing polish keeps stains like tea and red wine at bay, allowing them to be wiped away with only soap and water.

Spacious deep bowl

Maximizing sink capacity, Farm House offers deep bowls to give you the space you need to complete tasks with ease.

Designed for comfort

The apron front design enables the user to stand directly in front of the basin, with no cabinets or countertop in between, making it comfortable for prepping food and cleaning up.

Faucets to the highest standards

From extravagant to the purist. From Industrial Black to Polished Chrome. Whether you prefer a semi-pro, pull-out or filtration, the Franke faucet range meets every kitchen's needs. Your favorite Franke faucet will perfectly match your ideal Franke sink.

Stainless steel

Outstanding quality comes together during the Franke manufacturing process. Stainless steel material is used throughout the faucet, both inside and out. The interior stainless steel component's durability exhibits longevity that other materials cannot. Franke uses lead-free stainless, so you can be assured it will not release into the water when it comes out of the faucet. The aesthetically pleasing look is corrosion and tarnish resistant and has a naturally hygienic surface.

Water-saving feature

Conserve natural resources and trim your water bill with Franke's water-saving feature. Move the handle to the first position for a water-saving 50% flow. Moving the handle to the second position allows for 100% flow. Look for faucets with the water-saving feature icon, as not all faucets have this feature

Quality assurance and certifications

Franke faucets are manufactured under the supervision and testing of local and international certifying bodies, including CSA, IAPMO, ICC, and NSF. All Franke faucets meet the requirements of the Federal Safe Drinking Water Act, NSF372, NSF61, and ASME A112.18.1\CSA B125.1.

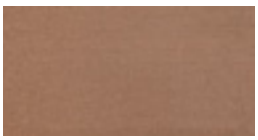

FRANKE

Make your statement

Franke offers a large selection of premium faucet materials and finishes to complete the design statement in your well-appointed kitchen. Complement or contrast your sink or appliances with one of 13 available finishes, from Matte Black for a sophisticated, modern appeal, to earthy Stone Grey or our NEW Copper finish to add a warm, metallic touch to your cabinetry and countertops.

Franke stainless steel faucets do not have a coating or finish. They are manufactured with durable 304 and 316 stainless steel resulting in a surface resistant to wear and abrasion and ensuring a lifetime of function and satisfaction.

Icon

A legend in the making.

Combining contemporary design inspired by nature plus a host of wonderful features, Icon is the perfect balance of aesthetics and functionality. The Icon pull-out and semi-pro faucets feature a laminar aerator to reduce splashing.

Effortless control

The single handle lever controls the water flow as needed with a simple movement.

Slim body and high spout

The high spout and sleek design with a 360° swivel spout offers plenty of space when working with large cookware. The pivoting spray head offers both stream and spray water flows.

Magnetic Spray Dock
ADA Compliant

Stainless Steel

ADA Compliant: Product is compliant with the American Disabilities Act when properly installed. All faucets can accommodate at least 1-3/4" countertop thickness. Several can accommodate up to 3". Call for additional thicknesses. Recommended Pressure Range: 15-75 PSI. All Franke filtration faucets have been certified to comply with NSF 61/ANSI/CAN, Q ≤ 1 ; ASME A112.18.1/CSA B125.1: and NSF 372 drinking water system component requirements. These requirements meet California Health and Safety Code requirements for low lead as well as the low lead requirements of the US Safe Drinking Water Act. Franke faucets also meet the water efficiency requirements of the California Energy Commission and the US Department of Energy.

Steel

The perfect stainless steel faucet.

The Steel faucets are built in solid, corrosion-resistant stainless steel and equipped with a 35mm cartridge for a highly functional, long-lasting experience. The single-lever handle offers you the exact amount and temperature of water in one twist.

Features and benefits

Full coverage swivel

The 360-degree swivel spout generates a full range of motion, allowing you the flexibility to reach almost any area of your sink. The tall arch design offers exceptional space for cleaning or filling large pots and pans.

Dual-function spray head

Delivering a more powerful stream thanks to the needle spray used, it is easier to rinse fruits and vegetables, as well as remove stubborn food from dishes. The stream can also reach every part of the sink, making it easier to clean.

Complete collection

Complete the look with a Universal filtration faucet.

Eos Neo

Modern clean lines.

The Eos Neo combines all the advantages of a modern faucet in a straightforward design: A high arc spout makes it even easier to rinse out the sink or quickly fill a large pot. The single-lever mixer offers you the exact amount and temperature of water in one twist.

Perfect water flow

The handle has a 0 - 90 degree movement for a perfect temperature and water flow control.

Solid 304 and 316 stainless

The Eos Neo faucets are constructed with 304 and 316 stainless steel that is corrosion resistant inside and out.

Pull-down spray head

The pull-down spray head can be used with stream or a powerful spray for more efficient cleaning.

Active

Exceptional design, inside and out.

Stylishly sustainable

ECO Cartridge uses up to 50% less water

Our Active faucets offer the best of both worlds — design and sustainability. With three design options, available in a range of stunning contemporary finishes, the appeal is obvious.

The secret to this performance is the environmentally beneficial ECO cartridge, which is designed to limit both the flow and temperature of the water.

Maris Lario

NEW

Italian craftsmanship for everyday ease.

Choose the Italian craftmanship of the Maris Lario faucet range for your family and kitchen. This versatile range includes kitchen faucets, prep faucets, bar faucets, pot fillers, and advanced filtration faucets, all designed to complement other Franke products.

Authentic Italian craftsmanship

Designed and made in Italy, this range delivers timeless style and reliable performance for your daily cooking experience.

Seamless integration

The Maris Lario range is crafted to bring a cohesive style to the kitchen, featuring kitchen, prep, bar, pot filler, and filtration faucets, all with a perfectly matching finish. These elements integrate seamlessly with one another and complement other Franke products, ensuring a harmonious aesthetic throughout the space.

Precision water flow

Delivers a crystal clear, non-splashing water stream, with very little noise - thanks to the laminar aerator on selected models.

Safety you can trust

The hot water filtration faucets boast innovative features like a sliding lock to keep your family safe and a cold-body system to keep the faucet cool to the touch, even when dispensing hot water.

Diverse range of models for every need

Kitchen Faucets: Feature tall pull-down spouts, ideal for filling large pots and ensuring easier cleaning tasks.

Prep Faucets: Compact and efficient, perfect for smaller sinks or dedicated prep areas, offering precise water flow for delicate tasks thanks to the pull down function.

Bar Faucets: Sleek and space-saving adding functionality without compromising style.

Pot Fillers: Provides the convenience of filling pots directly at the cooktop, reducing the need to lift and carry heavy cookware from the sink.

Filtration Faucets: Enjoy fresh, filtered water anytime and eliminate the hassle of buying and carrying plastic water bottles with Maris Lario advanced filtration faucets.

Filtration

The safety lock allows for controlled access to hot water when needed*.
** on select models*

In-home water treatment provides the final barrier of protection to prevent contaminants being ingested by you or a family member. Franke filtration systems supply filtered water directly from the faucet, ensuring that the quality of water you drink and prepare your food with is safe.

Features and benefits

Full-service suite

Today's kitchens are the hub of the home, and many homeowners are seeking unique, complete design choices in every area. Franke filtration faucets offer a fully integrated design and wellness solution.

Cohesive design solutions

With the flexibility to work within any style, our filtration faucets perfectly complement our wide range of Franke faucets to bring a balanced look to your kitchen. Available in six finishes: Stainless Steel, Polished Chrome, Industrial Black, Gold, Satin Nickel, and Matte Black.

Sustainable solutions

A Franke water filtration system reduces the need for plastic bottles, which is good for the environment.

Product Warning
For optimal performance, it is advised to connect only the heating tank to the Hot/Cold filtration system. Connecting both a heating tank and chiller is not recommended.

ADA Compliant: Product is compliant with the American Disabilities Act when properly installed. All faucets can accommodate at least 1-3/4" countertop thickness. Several can accommodate up to 3". Call for additional thicknesses. Recommended Pressure Range: 15-75 PSI. All Franke filtration faucets have been certified to comply with NSF 61/ANSI/CAN, Q ≤ 1 ; ASME A112.18.1/CSA B125.1: and NSF 372 drinking water system component requirements. These requirements meet California Health and Safety Code requirements for low lead as well as the low lead requirements of the US Safe Drinking Water Act. Franke faucets also meet the water efficiency requirements of the California Energy Commission and the US Department of Energy.

Filtration System

High performance filtration systems designed to deliver pure, great-tasting water.

Carbon block made of coconut carbon

- Reduces chlorine, pesticides, herbicides and toxic chemicals, as well as improves taste and odor
- Coconut carbon is the most effective way to remove contaminants
- Retains high oxygen of spring water

Eco-friendly cartridges

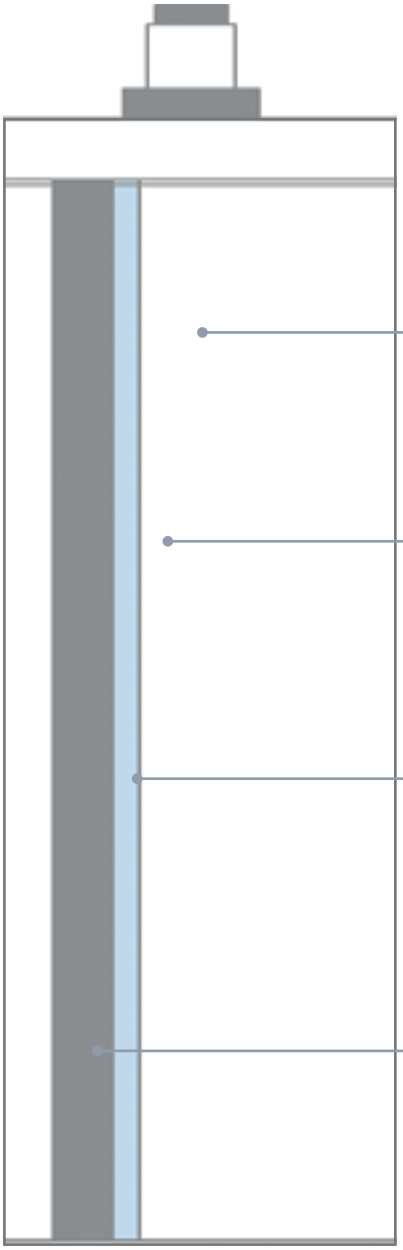

- 100% natural and recyclable materials
- Longer life through higher capacity
- Franke filter lasts 600 gallons

Excellent filtration

- 0.5 Sub micron filtration
- Self-sterilizing ceramic embedded with silver
- Removes pathogenic organisms (E Coli, Salmonella, Cholera, etc.)

Four Stage Filter

Franke four-stage filters combine multiple technologies to remove contaminants in the water, to deliver up to 600 gallons of fresh drinking water straight from the filtration faucet. NSF53 and NSF42 certified.

Stage 1

Microfiltration

Ceramic outer layer

Stage 2

Antimicrobial effect

Composition of the ceramic matrix inhibits microbiological growth

Stage 3

Activated carbon core

Removes chlorine, VOC's, improving taste and odor via the coconut carbon block

Stage 4

Heavy metal reduction

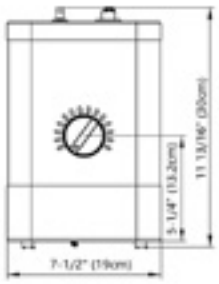

Select filters contain media to effectively reduce lead

Filtration

HT-400
119.0596.202
$785

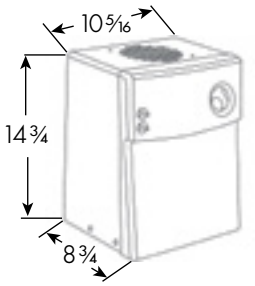

Heats up to 60 cups per hour
close to boiling temperature
8 pre-set temperature settings
Electronic temperature control,
max 208 degrees
⅝ gallon stainless steel tank
1100 Watts
5 year warranty
8 lbs.
Compatible with RO water systems
For use with all Franke hot only and
hot/cold filtration faucets.

How to determine which filter to order if the replacement filter model number is not identified on the canister:

1. Locate the serial number on your canister
2. If the serial number begins with FR then order the FRX02 filter set
3. If the serial number begins with FRC then order the FRC06 filter set

FILTRATION CRITERIA	PRIMARY FILTERS	
	FRX02	FRC06
Reduces Chlorine	X	X
Reduces Particulates and Turbidity	X	X
Reduces Cysts (Cryptosporidium)	X	X
Reduces Bacteria (E Coli)	X	X
Reduces Insecticides and Herbicides	X	X
Reduces Lead	X	X

Kitchen Solutions

218	All-In
222	Soap Dispensers
224	Waste Disposers
232	Colorline
234	Accessories

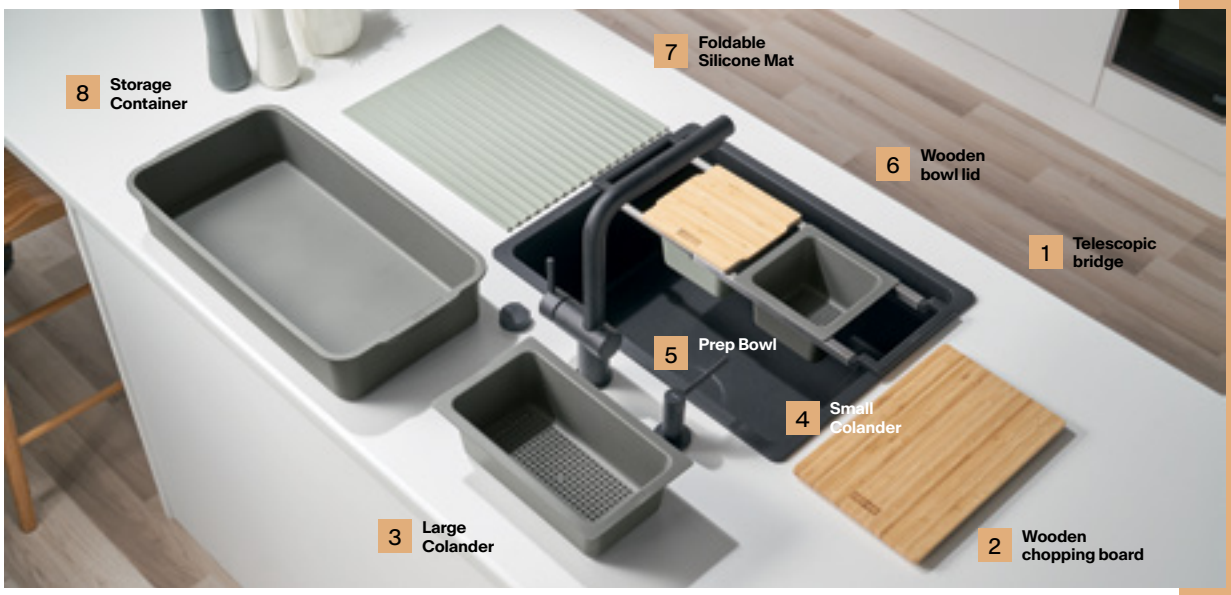

It all comes together with ALL-IN

The all-in solution for chopping, draining, washing and storing your preparations. Transforming any sink with a bowl dimension of up to 21 ¼" into a stylish and playful workstation, All-In is the flexible food preparation system designed to bring more flow to your kitchen and life.

Eight accessories, endless uses, fits any sink*

*Up to 21¼"

Prepare

Using the wooden board, telescopic bridge, colander and collector bowls, All-In can help you:

- Chop vegetables and other ingredients
- Collect the cut food
- Collect peeling and handle waste
- Store prepped ingredients in the fridge

Cook

The bridge, colander and foldable mat are really useful at the cooking stage and you can:

- Rest pots and pans on the bridge while filling them from the faucet
- Use the colander to drain pasta or other ingredients
- Stand hot pans and dishes on the foldable mat to protect work surfaces

Clean

When it's time to wash up, the bridge, colanders and foldable mat can also help you to:

- Drain glasses and dishes
- Drain cutlery and cooking utensils

Tidy

Once the washing up is finished, All-In can still help you to tidy everything away, whether it's to:

- Store cleaning items in the sink
- Keep all accessories together in the storage container
- Put everything away neatly in your kitchen cabinets

EIGHT ACCESSORIES, ENDLESS USES

1.

Featuring extendable stainless steel rails with durable handles that will adjust to fit bowls up to 21¼". Incorporates small feet that sit against the sink edge to ensure a stable fit.

2.

The perfect size to accommodate slicing, dicing, chopping and more. The chopping board fits securely into the bridge or can be used on the countertop.

3.

Made from recyclable polymers, the large strainer has holes that mean it can be used as a colander for rinsing ingredients, for collecting peelings when preparing fruit or vegetables, or as a drainer for cutlery and utensils.

4.

Also made from recyclable polymers, the small strainer can also serve as colander or drainer.

5.

The small bowl can be used for collecting prepared ingredients and storing them in the fridge. Equally, it can be used for collecting peelings and dealing with waste during preparation.

6.

Placed securely on top of the small bowl, the wooden lid can help to keep food fresh.

7.

Foldable for easy storage and an inclined surface for use as a dish drying mat that channels water back into the sink.

8.

Accommodates and stores the All-In accessories in one place so that everything is easily accessible for your meal prep.

Waste Disposers

Clean up after mealtimes as skillfully as you prepare them thanks to the Franke Elite Slimline range of food waste disposers. Each is designed to be a daily family assistant, helping to manage food waste easily, reduce risk of germs and odors, and offer a more sustainable approach to everyday kitchen life.

A powerful performance

Thanks to innovative Twist Force technology that offers exceptional grinding power, you can expect fast and efficient results without jamming. A hygiene safeguard also fights against the growth of bacteria and unpleasant odors with its antimicrobial protection.

Details that deliver

Each waste disposer features a high-flow splash guard ensuring the grinding chamber is left clean, Sound Soft Technology for noise reduction, and a strong Magnetic Rim on selected models to attract kitchen utensils and other miscellaneous metal objects.

Elegance under the sink

Thanks to a 3-Bolt Mounting System that makes it compatible with all Franke sinks that feature a 3 ½" waste hole, and an elegant-shelled body which is designed to save maximum space underneath the sink, each Elite Slimline Waste Disposer is a refreshing piece of Franke innovation that is a welcome addition to any kitchen.

FRANKE HOME SOLUTIONS WARRANTY

EFFECTIVE OCTOBER 1, 2023

In the United States, Canada and Latin America, Franke warrants the products from manufacturing defects in material and workmanship when purchased from Franke or a Franke Authorized Retailer pursuant to product-specific warranties detailed herein (each, a "Warranty" and collectively, the " Warranties"). The products must be properly installed, per company's installations instructions, in its original installation, and used in normal indoor residential kitchen applications. Any products or components which have been modified or altered, from its original intended condition will void the warranty. The Franke Warranties are limited to the original purchaser and are non-transferable. These Warranties do not include products purchased from non-Authorized Retailers, products that are obsolete or discontinued, or products that were previous display models. All issues with installed products are considered warranty claims and not subject to the Return Policy. Franke reserves the right to inspect any product reported to be defective and the original installation prior to providing a replacement product and/or component. All decisions are final. In no situation shall the liability of Franke exceed the amount of the original purchase price.

The Warranties do not cover, and Franke shall not be liable for, any damage to products or components resulting from misuse or abuse, accidental damages, normal wear such as scuffs, scratches or finish reduction/fading; improper installation, abnormal usage, negligence, damage caused by improper maintenance or cleaning. Damage caused by impurities, corrosive chemicals or acts beyond Franke's control are not covered by any Warranty.

Franke product replacements do not include transportation, shipping, diagnosis, labor, installation, removal, disposal for any products or liability for project delays. Product replacements are not guaranteed to be exact replacements. The owner of a product is liable for any transportation and re-installation costs related to any warranty for such product. If the original product is not available at the time of the warranty claim, at Franke's option, the product replacements will be of similar size, material, and value. Any products or components which have been modified or altered, from its original intended condition will void the warranty.

The Warranties do not allow recovery of incidental or consequential damages such as loss of use, delay, property damage or other consequential damage, and Franke accepts no liability for such damages. Each Warranty is limited to the conditions set forth herein and to the applicable warranty period specified herein and is exclusive. EXCEPT FOR THE WARRANTIES SET FORTH HEREIN, FRANKE MAKES NO WARRANTY WHATSOEVER WITH RESPECT TO THE PRODUCTS, INCLUDING, BUT NOT LIMITED TO, (1) ANY WARRANTY OF MERCHANTABILITY, (2) WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, (3) WARRANTY OF TITLE, OR (4) WARRANTY AGAINST INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS OF A THIRD PARTY, WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE OR OTHERWISE. LEGAL DISCLAIMER PLEASE READ CAREFULLY. Franke Home Solutions North America, LLC/Franke Kindred Canada Limited provides the above information to you as a public service to our customers. By accessing and using this information, you agree to the following and to comply with all applicable laws. If you do not agree with these terms and conditions, do not use this information. While we try to keep the information current, changes may have occurred since its creation. Contact your Regional Manager or Customer Service to verify information regarding Franke Home Solutions North America, LLC/Franke Kindred Canada programs and their use by you.

Franke Residential Stainless, Granite and Fireclay Sink Limited Lifetime Warranty:
Franke warrants that each Franke sink will be free from manufacturing defects in material and workmanship for the expected lifetime of the sink when used in standard residential indoor applications. The warranty covers sinks installed in its original installation per Franke installation instructions in residential applications using conventional or solid surface countertop. For surface coated sinks (i.e. Franke Mythos Masterpiece sinks) Franke warrants that each sink will be free of manufacturing defects in materials and workmanship for two (2) years from the original date of purchase.

Franke Residential Disposal Limited Warranty:
Franke warrants that disposers are free from manufacturing defects in material and workmanship for the period ranging from two (2) years to Limited Lifetime as documented in the annual product catalogs and/or instructions included with the products.

Franke Residential Faucet Limited Lifetime Warranty:
Franke warrants that mechanical components (body, handle and spout) in all faucets purchased after January 1, 2003, will be free of manufacturing defects for the expected lifetime of the faucet. Franke shall not be liable for any damage caused by normal wear and tear to wearable parts of the faucet. The expected useful lifetime of wearable parts is; one (1) year: aerator, o-rings; five (5) years: cartridge, hose, electrical components; ten (10) years: spray head. The wearable parts can be purchased as spare parts from Franke or their Authorized Retailers. Franke warrants the chrome finishes on Franke faucets will be free of manufacturing defect for the lifetime of the faucet; and all other finishes on Franke faucets will be free of manufacturing defects for five (5) years from the original date of purchase. Faucets purchased prior to 2003 are subject to the warranty in place at time of purchase.

Franke Residential Filtration Limited Warranty:
Franke warrants mechanical components in filtration faucets, filtration canisters, filters and filtered water temperature modification devices; heating tanks and chillers, to be free from manufacturing defects in material and workmanship for the period ranging from one (1) year to ten (10) years as documented in the annual product catalogs and/or instructions included with the products.

Franke Residential Soap Dispensers Limited Warranty:
Franke warrants that Franke soap dispensers are free from manufacturing defects in material and workmanship for a period of five (5) years from the date of purchase. Such warranty does not cover damage caused by the use of aggressive soaps or chemicals.

Franke Residential Accessories Limited Warranty:
Franke warrants that Franke accessories, including, but not limited to bottom grids, shelves, waste kits, colanders, chopping boards are free from manufacturing defects in material and workmanship for a period of one (1) year from the dates of original purchase.

Franke Residential Outdoor Installation Limited Warranty:
Specific Franke products noted below are engineered for outdoor applications. These products are warranted to be free from manufacturing defects in material and workmanship for outdoor installations for ten (10) years from the date of purchase. Stainless Sinks: ODX110-2310-316 and ODX110-2312-316 and Stainless Faucets: FF3352, FF3452SS, EOS-PD-316 and STL-PD-316.

This warranty supersedes all other warranties, expressed or implied. No employee, field sales representatives, or distribution persons are authorized to give any warranties on behalf of Franke Home Solutions North America, LLC or Franke Kindred Canada Limited.

Terms & Conditions

To make an installed product warranty claim please contact Franke at the provided contact information below. All warranty claims must include the following for processing:

1. Proof of purchase from Franke or Franke Authorized Retailer
2. Original purchaser's name, address (included city, state, zip), email address and phone number
3. Franke model number
4. Date of installation
5. Description of the defect
6. Photos of the defect

LEGAL DISCLAIMER

Please read carefully.

Franke Home Solutions North America, LLC provides the above information to you as a public service to our customers. By accessing and using this information, you agree to the following and to comply with all applicable laws. If you do not agree with these terms and conditions, do not use this information. While we try to keep the information current, changes may have occurred since its creation. Contact your Regional Manager or Customer Service to verify information regarding Franke Home Solutions North America, LLC programs and their use by you.

Copyright and Other Intellectual Property Rights. This document and our website are protected by copyright pursuant to U.S. copyright laws, international treaties, and other copyright laws. This document and our website contains copyrighted material, trademarks, and other proprietary information of Franke Home Solutions North America, LLC and others (collectively "Proprietary Material"), which may include, but shall not be limited to: text, software, photos, video, graphics, images, music and sound. You may not modify, publish, copy, transmit, participate in the transfer or sale of, create derivative works of, or in any way exploit, in whole or in part, any Proprietary Material without the prior written authorization of Franke Home Solutions North America, LLC or the applicable rights holder.

Changes. We may change these terms and any part (or all) of the information enclosed at any time without notice. Any changes will apply to your future use, so you should contact your Regional Manager or Customer Service periodically. If you use this information after any changes to these terms, then you accept those changes.

Choice of Law. We are a Delaware limited liability company and these Terms and Conditions, and the purchase of products from Franke Home Solutions North America, LLC, shall be governed by the substantive laws of the State of Delaware, including the Uniform Commercial Code as adopted in Delaware, and the United Nations Convention on Contracts for the International Sale of Goods shall not apply. Any cause of action must be commenced within one year after the claim or cause of action arises. If a court of competent jurisdiction holds these terms and conditions or any part of them to be invalid, then that part shall be enforced to the maximum extent possible and the remainder of these terms and conditions will remain in full force and effect.
